PROFESSIONAL SUMMARY

Tech-driven BCA student with hands-on experience in web development, data analytics fundamentals, and campus leadership. Demonstrated ability to deliver real-world digital solutions through academic projects and extracurricular initiatives. Certified in Prompt Engineering, HTML, and financial literacy, with a strong foundation in Microsoft Office and Power BI. Adept at collaborating in team environments and solving problems with a growth-oriented mindset.

EXPERIENCE

Campus Ambassador

Nov 2025 – Mar 2026

MyCaptain | Remote

- Represented MyCaptain across Bharati Vidyapeeth campus, driving student outreach and increasing platform enrolments.
- Organised and promoted skill-development webinars, workshops, and live sessions targeted at BCA/BBA peers.
- Leveraged social media platforms to create awareness content and generate qualified student leads for the platform.
- Coordinated with the MyCaptain team to relay student feedback and assist in improving on-ground engagement strategies.
- Developed communication, event management, and personal branding skills through consistent brand representation over 4+ months.

EDUCATION

Bachelor of Computer Applications (BCA) – Semester II

2025 – 2028

Bharati Vidyapeeth Deemed University, Dept. of Management Studies | Kharghar, Navi Mumbai

- Relevant Coursework: Database Management Systems (DBMS), Data Structures, Web Technologies.
- Academic Projects: EduLearn – Online Learning Management Website; HemoLink – Blood Donor Finder Web App.

Higher Secondary Certificate (HSC) – Science

Completed 2025

CKT College | New Panvel

TECHNICAL SKILLS

Web Development: HTML, CSS (Basic), Responsive Web Design concepts

Data Analytics: Microsoft Excel (data organisation, formulas, charts), Power BI (basic dashboards and visualisation), data interpretation & reporting fundamentals

Tools & Productivity: Microsoft Office Suite (Word, Excel, PowerPoint), Google Workspace

AI & Emerging Tech: Prompt Engineering, Generative AI tools (ChatGPT, Claude), AI-assisted development

PROJECTS

EduLearn – Online Learning Management Website

2025

Academic Mini Project

- Built a fully functional LMS website prototype focusing on user-friendly course navigation and content delivery.
- Documented the project with a formal BCA Semester II Mini Project Report including system design, ER diagrams, and implementation details.

HemoLink – Blood Donor Finder Web App

2025

Self-Initiated Project

- Designed and developed a premium single-file HTML web application for connecting blood donors with recipients.
- Incorporated modern UI/UX design principles with a responsive, production-quality interface.

CERTIFICATIONS

Prompt Engineering Certificate – OpenAI (2025)

HTML Fundamentals Certificate – Online Platform (2025)

NISM Financial Literacy Course – Bharat (NISM) (2025)

GDG Hackathon Participation Certificate – Google Developer Group (2025)

Tata Crucible Challenge – Certificate of Achievement – Tata Group (2025)

MS-CIT (Maharashtra State Certificate in Information Technology) – MSBTE (Ongoing)

ACHIEVEMENTS & EXTRACURRICULARS

- Participated in the GDG Hackathon, collaborating with cross-functional teams to build technology solutions for real-world challenges.
- Competed in the prestigious Tata Crucible Challenge, gaining exposure to industry-level problem-solving and competitive environments.
- Completed a 4+ month Campus Ambassador internship at MyCaptain, successfully blending leadership, marketing, and community engagement.
- Self-initiated multiple web development projects beyond academic curriculum, demonstrating a proactive approach to skill-building.

CORE COMPETENCIES

Effective Communication | Team Collaboration | Critical Thinking | Adaptability | Time Management | Problem-Solving | Quick Learner | Attention to Detail
